# *Network Performance Evaluation Manager, KI-EC, 8 staff*

**This is a fantastic opportunity to set up a new disruptive Mobile Network Integrator with technology made in Germany.**

**Sector-** Technology
**Location-** Near Hamburg, Germany
**Salary & Benefits**- to be negotiated
**Job Type-** Network Performance Evaluation Manager, Full-time, Permanent

**As the Network Performance Evaluation Manager, you will measure and ensure the performance of our network and design and run our test network**

We are looking for a skilled high performer, who makes the impossible possible and has a strong can-do attitude.

You will have 20+ years' experience working in the telecom industry, system test and operation of test centres.

You will be comfortable working in a fast-paced, energetic work environment where company structures and roles are dynamic, and you are happy to get involved across projects as required.

**The Company:**

Launched in April 2009 has designed a disruptive Access Network Technology, a 5G Broadband Internet Alternative made in Germany, with a great global potential and only few competitors. We are rolling out our network in South Africa, Botswana and Nigeria.

**The Network Performance Evaluation Manager role:**

- Design and Set up of Test Centre based on Solutions
- Running of general system test and verification of SW, FW and HW versions
- Definition of Toolset for Radio, Layer 2 and Layer 3 Performance Measurement
- Definition of applicable tests
- Organizing of Reception Drive and Walk Testing with subcontractor
- Radio Network Performance Measurements in selected areas and Test Centre
- Qos Assurance Tests over the whole network
- Leads a Team of 8 experts

**The Ideal Candidate for the Network Performance Evaluation Manager role:**

- Bachelor's or Master's degree
- Excellent communication, written and time management skills
- Experienced in multicultural, international environment
- Motivated self-starter with a strong attention to detail who is ready to make a real impact in a fast-growing company
- Excited by the environment a start-up presents
